

## SANI ADVENTURE PARK

Get ready for an amazing treetop experience that's perfect for thrill seekers who like their fun up in the air. At our brilliant new Sani Adventure park, the excitement never ends with an exhilarating combination of zip lines and challenge bridges between tree platforms.

•

It's a jungle out there and our more adventurous guests will rise to this new challenge as they take to the trees and make the most of Sani's natural surroundings. Our super friendly staff will be on hand to help you the moment you arrive. They'll demonstrate how to use the safety harnesses and clips and make sure you know exactly what you're doing before you take off into the trees. They'll be with you all the way and even wave goodbye as you return back to earth bearing a satisfied 'I did it!' smile.

•

Our specially designed park features six courses – two training courses, two family courses and two youth courses – all colour coded and offering differing levels of challenge. The park has been planned with the latest safety systems in place and for personal safety there are minimum height and maximum weight restrictions. The Adventure Park can host approximately 100 guests and we just know our Sani daredevils will keep coming back for more

### Sani Adventure Park at a glance
