

Experiences

"Hands on the land"

- We invite our guests to visit the vegetable garden and to participate in the activities of organic agriculture. Among aromas and colors, vegetables and herbs, feel the LAND with your own hands.

"From the land to the Plate"

- The vegetables and aromatic herbs harvested by you from our vegetable garden, in the company of our farmers, will be used for the preparation of your lunch with the help of our Chief.

"From the land to 5 O'clock Tea"

- On a tour to the greenhouse we will collect lemongrass, verbena, melissa, fennel and mint. By return to Lugar da Horta we will prepare the infusion.

"Hands in the sea"

- Overlooking the sea, on a virgin beach, participate in the activities ranging from fishing with a cane till mussels harvesting.

"Discovering the Dunes"

- Walking through the Dunes breathing in all nooks and corners the Nature, the LAND, with the Atlantic at your feet...

"Think ECO"

- We invite our guests to participate in the sustainability of the hotel, crossing with us our ECO circuit. Feel what you can do for the World.

"Circuit of Composting"

- Learn with us to reuse organic waste produced during your stay.

"Secrets Out of Doors"

- We share with our guests a very special meal... out of our doors!
