Master Deluxe Garden House
3 bedrooms

Ground Floor

1st Floor

Garden Houses at Martinhal Beach Resort & Hotel are the ideal choice of accommodation for parents with younger children. Arranged around an attractive parkland area, the houses are substantial semi-detached villas set within a walled, private garden in a secure environment making them extremely safe for families.

Area: 138m²

Description: On the ground floor - a full equipped kitchen, open space living room and dining area with sliding doors towards a terrace, which leads you to the natural garden and pool area, outside furniture table, chairs, sun beds and fat boys. A twin room with garden view and a bathroom with shower. On first floor – a double room with in suite bathroom with shower, 1 magnifying mirror and a twin room with 1 bathroom with tub, sanitary bags, shower bonnet, hairdryer (1 per house), safe and an exterior roof terrace to enjoy the views.

Decoration: British furniture and interiors designer Michael Sodeau has created an exclusive range of furniture that is modern, attractive and functional. A natural, organic quality prevails with the use of materials like stone, timber and cork.

Facilities: Voya amenities (75ml bath gel + shampoo + body milk + soap), 32" satellite television with multi-channel selection and video on demand, pay TV, wireless internet access (additional fee) and telephone. Modern conveniences include designer kitchen, washing machine with integrated dryer, ironing board and iron, laundry rack, fridge, microwaves, stove, freezer, coffee machine and kitchen utilities. Village Houses benefit from a daily maid service and guests can if they wish pre-order meals from our home delivery service.

Available Baby Articles: barriers for beds & stairs, toilet seat adapter, potty seat, baby bottle sterilizer & heater (subject to availability at booking time).
