

Beach Suite

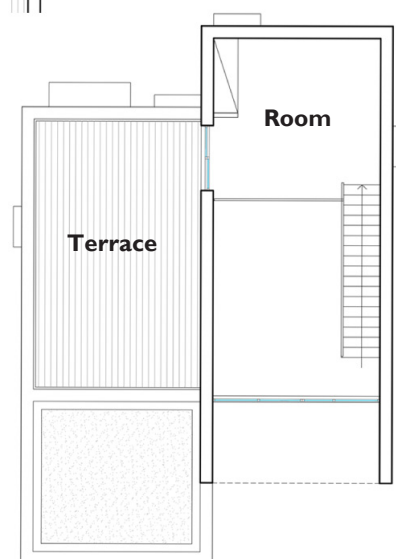

Area: 49,90 m²

Beds: 200X200 (twin beds adaptable to double bed)

Description: Clad in natural timber and positioned overlooking the ocean, the Suites incorporate loft-style double height living spaces, with the open-plan bedroom situated on the mezzanine level. Outside, a private veranda has been carefully orientated to take advantage of the setting sun. Floor space is deceptively generous, and the enormous floor-to-ceiling bay windows greatly enhance the sense of proportion.

A private ground floor terrace extends on to a modest lawn.

Decoration: The interiors of natural materials like timber, cork and wicker to furnish the rooms lend the accommodation a minimalist, organic quality that is as appealing as it is innovative. Likewise, the muted pastel tones used to decorate the interior create a wonderfully mellow atmosphere that is easy on the mind, and on the soul.

Facilities: Voya amenities (75ml bath gel+shampoo+body milk+soap), 1 Tub with Shower, hairdryer on, heated towel rail, magnifying mirror, sewing kit, shower bonet and nail file in the bathroom, robe and slippers, Ipod docking station, satellite TV, Pay TV, video on demand, safe, telephone, internet Wi-Fi complimentary, mini bar (waters and soft drinks are complimentary but others items have a cost), Nespresso coffee machine and tabs (2,5€ each), tea facilities, twice daily cleaning service, turndown service. At terrace 2 chairs + 2 sunbeds to lounge.
