*so much to see*

*Soneva Kiri*

### **Koh Kood Discovery**

Drive through the Klong Mat rubber tree plantation and see firsthand the harvesting methods used to cultivate this extraordinary natural resource, before carrying on to the stunning Klong Chao waterfall for a swim in the cool, freshwater lagoon. The waterfall is at its most striking during the rainier months of the year. Complete the adventure with a stroll through Ao Salat fishing village to meet the local fishermen and choose from the selection of fresh squid, crabs or scallops for dinner.

### **Koh Rang Snorkeling Trip**

Head North to Koh Rang Yai where the coral is home to rich and abundant marine life. And then on to Ao Cho a beach in beautiful Marine National Park Ranger Unit. Here, the water is transparent and swimming is blissful. On the way back home, we'll stop by at Koh Yak - a small rocky pinnacle with some excellent marine life living on this shallow ocean floor encircled by a colourful coral reef.

### **Jungle Trekking (9:00 - 13:00)**

An 8 km drive from Soneva Kiri Resort brings you to Klong Nam Sai. The trek weaves its way through dense jungle. The diverse nature of the jungle is a viewing paradise with Rattan trees and plenty of bamboo and rubber trees with age old scars from their previous working lives. After trekking 45 minutes you can enjoy a truly local experience. We visit and tour a local family's jungle house and organic farm.

From there we move slowly down the river to Koh Kood's secret waterfall. The return route takes us to the huge 600 year old Makka (Rosewood) tree. The piece and quiet of this trip is inspirational.

### **Cinema Paradiso**

Simultaneously enjoy the stars on the screen and in the sky! Watch a film like never before, on a giant inflatable screen on a platform in the middle of a huge reservoir with only the Milky Way overhead. Candles and torches light the way, creating a magical and memorable atmosphere. The film is accompanied by homemade popcorn and local snacks. Unmissable.

### **Thai Cooking Class**

Why not enhance your culinary skills and take a few local tips home with you? Discover the secrets of authentic Thai cuisine, by mastering the balance of flavours from the rich and diverse ingredients... Our Thai culinary class provides an opportunity to recreate some of your favourite dishes, once the cooking is done sit back and enjoy your meal with a perfectly chilled glass of matching wine.. The cooking class is held at Chef's Table, and lasts for approximately 2 hours.

### **The Observatory**

Visit the wonderful 'So Celestial' Observatory to view the awe-inspiring stars and constellations above. See the Plough standing upright or Saturn with its beautifully serene, translucent ring or count the moons around Jupiter. Your Observatory hosts will impress you with their passion, knowledge and insight.

### **Wine Tasting**

Join our sommelier in the chilled wine cellar for an extended aperitif before exploring and learning about our hand-picked 450 wine labels. Tastings are for up to 10 guests, and usually comprise wines with matching canapés.

### **Tennis**

Feeling energetic? Tennis court is just a short buggy ride from your villa. Rackets and balls are provided. Game, Set and Match!

### **Water Sports at The Beach**

Enjoy a wide variety of water sports including sailing, kayaking, windsurfing, paddle boarding at The Beach.

Daily Wellness Activities. Every morning and afternoon you can join us for complimentary yoga, meditation or stretching classes in the rooftop sala with breathtaking views over the bay. A serene start to any day.

- The listed activities are available based on a set resort schedule on a first come, first served basis and are weather dependent.
- For an additional charge, Private activities can be arranged through your Mr/Ms Friday.
